MOBILE SERVERY

This unit is ideal for care homes, functions and hospitals, the Parry 1887 electric mobile server unit is a versatile and portable buffet trolley, ideal for safely storing plated meals. With the added functionality of the bain marie top, the Parry 1887 can also store gravy, baked beans, curry, chilli and other foods that are kept at gentle, ready-to-serve temperatures. The bain marie and main cavity are independently controlled to add efficiency and functionality, whilst the stainless steel construction and robust castors ensure the mobile serving trolley is easy to move and clean.

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.
