

N1870

SINGLE ELECTRIC HOB UNIT

This versatile and powerful, the Parry N1870 countertop two ring electric hob is ideal for use in professional catering establishments where a separate hob unit is required, such as cafes, takeaways, pubs and clubs. Made from high quality stainless steel, the exterior features an indented top to prevent spillage, in turn making the boiling rings and surrounding areas easier to clean. Each ring has individual heat controls with six heat settings, whilst being thermally protected to reduce the temperature when pots and pans are removed.

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.
