CD 800

CD 1200

RD 600

RD 800

The ventilated refrigeration system provides an even temperature throughout the whole cabinet between +2°C and +10°C. Perfect refrigeration thanks to the evaporator placed on the top of the display. Automatic defrost thanks to the electronic thermostat.

CD 800/1200: These panoramic display cabinets will draw attention to your chilled menu thanks to the LED white lighting in each corner and clear glass panels on four sides and above. Supplied with two clear glass shelves, access is via the rear glass sliding doors.

Available in Black, White or Stainless Steel

RD 600/800: Magnificent way to display your chilled menu. Thanks to the LED white light strips inside each corner, running the full height of the cabinet and clear glass panels on each side, all double glazed for efficient temperature control. Supplied with 5 fixed clear glass shelves or 5 turning shelves for the RD 600.

Available in Black, White or Stainless Steel
