DESCRIPTION

The Sterling Pro SP60BC Blast Chiller is the best machine for chilling and freezing hot food quickly and is the largest blast chiller in our range. Capable of chilling or freezing food from 100°C, it enables the safe storage of freshly cooked food for serving at a later date. This 13-grid version can chill 60kg or freeze 38kg of hot food per cycle. It is manufactured from the highest quality AISI304 stainless steel meaning it is extremely robust and easy to keep hygienically clean. The interior shelf supports accept the GN1/1 or 600x400 shelves.
