DB126H

New Product

Lock

Description

The Tefcold DB back bar range offers high-quality and energy-efficient cooling solutions for cafes, bars and pubs. These coolers come in a single, double, and triple door models. The cabinets feature an efficient refrigeration system and fans that deliver powerful cooling with minimal energy consumption. Additionally, the units are equipped with a digital controller and temperature display, and come with standard locks.

Product Features

- Double glazed tempered glass
- Ventilated cooling for fast pull-down and even temperature
- Easy access electronic thermostat
- Adjustable shelves
- Adjustable feet
- LED interior light
- Lock
- Reversible glass door on DB126H
